Dear Customer,

You have recently contacted us regarding the European Union Directives known as Waste Electrical and Electronic Equipment Directive (WEEE) and Restrictions on the use of Certain Hazardous Substances (RoHS) in Electrical and Electronic Equipment.

Crest Foam has reviewed the requirements of the above mentioned directives and we have determined that none of our products contain any of the materials listed.

We manufacture Polyurethane Foam, CAS # 9009-54-5.

If we can be of any further assistance, please contact me at (201) 881-1120.

Thank you,

Viren Chauhan
